Title I Nonpublic Parental Concern/Complaint Procedure

Dear Parent/Guardian:

The North Star School District is dedicated to meeting the educational needs of our students and is constantly working to ensure that your child receives the best possible education. To ensure that the educational needs of students are being met, a strong educational program and communication between school and home must be maintained for every student.

In the event that a concern or complaint arises regarding Title I services, parents/guardians will follow the chain of command listed below to have the concern/complaint addressed:

Step 1 – Meet with the Title I teacher. If the concern/complaint is not resolved,

Step 2 – Meet with the nonpublic principal/administrator. If the concern/complaint is not resolved,

Step 3 – Meet with the superintendent. If the concern/complaint is not resolved, the parent/guardian may then choose to address the North Star Board of School Directors regarding the concern/complaint.

Sincerely,

Shawn L. Kovac
Superintendent
